

HOOLOGAN TOOLS

Hooligan Tools

The Paratech Hooligan Tool has set the standard of excellence for Halligan type tools. Now available with a machined alloy shaft for lighter weight, these heavy-duty tools were designed to pry, pound, puncture, twist, and cut open or remove all types of barriers between emergency service personnel and the ability to save a life.

Description	Part No.	Length in (cm)	Weight	
			Net lb (kg)	Ship lb (kg)
Standard Claw with Electroless Nickel Finish				
Hooligan Tool	22-000599	24 (61.0)	9.2 (4.2)	11.2 (5.1)
Hooligan Tool	22-000600	30 (76.2)	10.6 (4.8)	12.6 (5.7)
Hooligan Tool	22-000601	36 (91.4)	11.9 (5.4)	13.9 (6.3)
Hooligan Tool	22-000602	42 (106.7)	13.3 (6.0)	15.3 (6.9)
Lightweight Aluminum Handle and Standard Claw with Electroless Nickel Finish				
Hooligan Tool	22-000424	24 (61.0)	6.8 (3.1)	8.8 (4.0)
Hooligan Tool	22-000430	30 (76.2)	7.3 (3.3)	9.3 (4.2)
Standard Claw with Tactical Black Finish				
Hooligan Tool	22-000670	30 (76.2)	10.6 (4.8)	12.6 (5.7)
Hooligan Tool	22-000671	36 (91.4)	12.0 (5.4)	14.0 (6.4)
Metal Cutting Claw with Electroless Nickel Finish				
Highway Hooligan	22-000622	30 (76.2)	10.6 (4.8)	12.6 (5.7)
Highway Hooligan	22-000623	36 (91.4)	11.9 (5.4)	13.9 (6.3)
Highway Hooligan	22-000624	42 (106.7)	13.3 (6.0)	15.3 (6.9)

Single Piece Forging

The Hooligan SPF is a single piece forged (SPF) tool intended to exceed FDNY specifications for their primary hand held forcible entry tools. It is the very first redesigned, features included, single piece forged Halligan type tool.

Our Single Piece Forging tool (22-000680) has the following features: Electroless nickel plating; Cable groove at the rear of the tool head; Forged carrying strap eyelets; Recessed nail puller type claw, a thin curved profile, which makes this tool a favorite in the Eastern United States and a single closed die for absolute consistent lengths.

30" Electroless Nickel Hooligan	22-000680	30 (76.2)	9.7 (4.4)	11.7 (5.3)

Spark Resistant Forcible Entry Tools

The head and claw are manufactured entirely from spark resistant AMPCOLOY 45. These heavy duty forcible entry tools are designed for emergency service personnel operating in the presence of hazardous vapors and combustible residues. Now a single spark resistant tool allows you to pound, puncture, pry, twist and cut metal barriers. Using the design of one of the world's most popular forcible entry tools and manufacturing it out of spark resistant materials, makes this an important addition to your HazMat tool arsenal.

Spark Resistant Westcoast Bar	22-891640	30 (76.2)	11.0 (5.0)	13.0 (5.9)
Spark Resistant Hooligan Tool with Metal Cutting Claw	22-891622	30 (76.2)	7.1 (3.2)	9.1 (4.1)
Spark Resistant Hooligan Tool with Standard Claw	22-891600	30 (76.2)	7.2 (3.3)	9.2 (4.2)
